PROFESSIONAL SUMMARY

Motivated computer science student with an interest in software development, problem-solving, and building practical technology projects. Eager to apply academic knowledge, strengthen technical skills, and contribute to collaborative software engineering environments.

EDUCATION

Sai University — Computer Science / Related Degree

Expected graduation: Add month and year

Note: Please update the degree title, specialization, graduation date, and CGPA if applicable.

TECHNICAL SKILLS

Programming	C, Python, Data Structure, Web Technology
Tools	Git, GitHub, VS Code

PROJECTS

Personal Portfolio Website

Personal web portfolio repository: GitHub profile. Add 2–3 bullets describing the technologies used, key features, and your contribution.

Additional Academic / Personal Project

Add the project title, objective, technology stack, and measurable outcome. Use concise bullets focused on your contribution and results.

CERTIFICATIONS & ACHIEVEMENTS

- Add relevant certifications, coding achievements, hackathons, workshops, or awards.
- Include issuer names and completion years where applicable.

ADDITIONAL INFORMATION

- Languages: Add languages you speak
- Interests: Software development, technology, problem-solving, and continuous learning
- Availability: Add internship / full-time availability if relevant
